USA Bulls and Barrels & Alabama Youth and Junior Bull Riders Association presents:

Southern States Finals

We are inviting all the Southern States to attend this event. It will be held in Selma, AL on January 20-22, 2012. Belt buckles will be given to all the final winners. We need support from all the Southern States to help make this a success. The closest bull riding finals are in Oklahoma and Texas, with no barrel racing involved in those events. Starting next year we will take bids on hosting the event in your state. The Dallas County Horse Arena has 20 camper sites with complete hook ups. These sites will go first come; first serve for \$25.00 for the weekend. Plenty of room for trailers and primitive camping.

Entry Fees – all events have money payback

Age as of Jan 1, 2012

\$65.00 Mutton Bustin – 6 years old & under, 55 lb weights limit

\$75.00 Calf Riding- 8 and under

Hobbies: _____

Traveling partner: _____

Please let us know where you stand in your state, this will help with introductions

Kids can ride up in age if your state team does not have 10 participants in an event.

Our Goal is to put on the best rodeo we can for the kids. The National Bull Riders Finals are always held in Oklahoma and Texas; it took 13 years for them to get 14 states on board. We are dedicated to providing opportunity for kids in the Southeast region to have a closer place to come and win money, buckles and other prizes.
